

## **Have Questions? Need Solutions?** **Community Outreach Center™** **Benefits \* Services \* Resources**

**Dennis K. Thomas, Local Community Outreach Specialist Has  
Been Selected As The Local Contact, For The Community Outreach Center™**

**Press Release: December 2018** – The Community Outreach Center™ (No Gov't Affiliation) is pleased to announce that Dennis K. Thomas has been selected as the local contact for the Community Outreach Center™.

The role of a Local Community Outreach Specialist for the Community Outreach Center™ is to assist Local Consumers in helping meet their Personal Benefits Needs and Objectives. A Community Outreach Specialist acts in the best interests of the Consumer. A Community Outreach Specialist will provide Options, Choices & Solutions and help the Consumer make Life Changing Decisions without feeling overwhelmed but with complete understanding. A Community Outreach Specialist treats Consumers with respect, empathy and takes the time necessary to help educate the Consumer about the Benefits, Services & Resources that are available and make them aware of their Choices, Options & Solutions.

"It's risky not to pay close attention to the choices and options available to those that are in need; but often times they aren't sure what to expect or where to begin," said Dennis K. Thomas, Community Outreach Specialist. Local Residents can now get their many questions concerning Benefits, Services & Resources answered by calling the local Community Outreach Helpline: 888.874.5939.

Thomas said that "Community Outreach Programs are avenues to bring growth to society and the people around us, raise awareness on sensitive matters, and become a means of providing new innovative solutions to Consumers amidst of the socio-economic challenges that plague our world today".

### **CONSUMERS NEEDING BENEFITS HAVE MANY QUESTIONS INCLUDING:**
